

A black and white cow is the central focus, standing in a lush green field. In the background, two people are visible, one in a pink shirt and another in a blue shirt, both appearing to be working with the cows. The scene is bright and sunny, with a clear blue sky.

Which environmental simplifications could enable farm investment for a modernised, sustainable, and competitive agricultural sector?

Sustainable Livestock Intergroup

Lut D'Hondt

Dairy farmer and vice-president of Boerenbond (BE)

Introduction

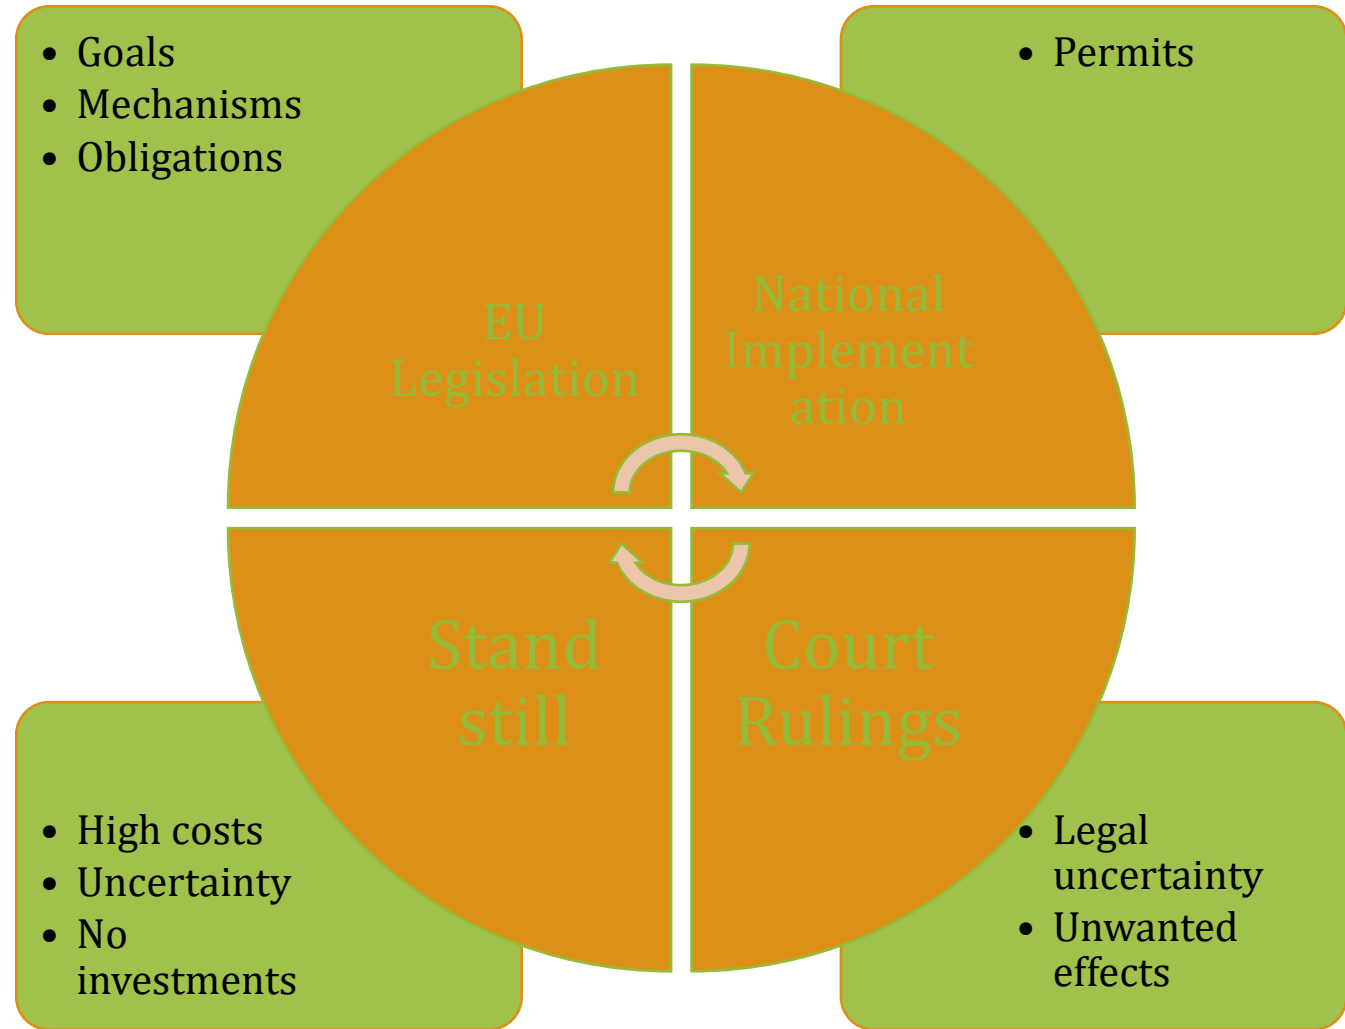

- Lut D'Hondt
- Dairy Farmer
